The Virginia Department of Transportation (VDOT), in partnership with the Virginia Department of Rail and Public Transportation (DRPT), will host Design Public Hearings for the Transform 66 Inside the Beltway Project. Improvements involve converting I-66 to dynamically-priced toll lanes in the peak direction during morning (eastbound) and afternoon (westbound) rush hours between I-495 (the Capital Beltway) and U.S. Route 29 in Rosslyn, along with implementing a series of multimodal improvements that will benefit toll users of I-66. Information related to proposed locations and design of toll gantries and signage will be available at the hearings, as well as a presentation on how the toll system will operate.

**In accordance** with the National Environmental Policy Act (NEPA) and 23 CFR 771, draft Categorical Exclusion (CE) documentation has been prepared in cooperation with the Federal Highway Administration and is available for review and comment. VDOT staff will be available to discuss the environmental studies underway and the coordination with appropriate regulatory agencies to obtain information about the resources in the project's vicinity. A public notice for review and comment on the final CE documentation will be posted at a later date. In compliance with the National Historic Preservation Act, Section 106 and 36 CFR Part 800, information concerning the potential effects of the proposed project on properties listed in or eligible for listing in the National Register of Historic Places is also provided in the environmental documentation.

**Stop by** to learn more about the project, discuss your questions with project staff, and attend the formal presentation.

**Review** project materials at the hearings, including the draft CE, traffic technical report, plans, project schedule, and right-of-way, environmental and civil rights information. Materials are available for review at [www.Transform66.org](http://www.Transform66.org), at public locations listed on the project website, or VDOT's Northern Virginia District Office at 4975 Alliance Drive in Fairfax. Please call 800-FOR-ROAD (800-367-7623) or TTY/TDD 711 to ensure availability of appropriate personnel to answer your questions.
