The Northern Virginia Transportation Commission (NVTC) is seeking public input on the Multimodal Components submitted for FY 2017 funding consideration as part of the Virginia Department of Transportation's (VDOT's) Transform 66 Inside the Beltway Project.

NVTC will select multimodal components for presentation to the Commonwealth Transportation Board for funding using toll revenues from VDOT's Transform 66 Inside the Beltway Project. The principal objective of the Transform 66 Inside the Beltway Project is to select and fund multimodal components that meet the improvement goals, which are to (1) move more people, (2) enhance transportation connectivity, (3) improve transit service, (4) reduce roadway congestion and (5) increase travel options. The improvement goals will benefit the users of the portion of I-66 between I-495 (the Capital Beltway) and U.S. Route 29 in the Rosslyn area of Arlington County.

NVTC urges the public to get involved by learning about and commenting on the proposed multimodal components during the **Open House and Public Hearing on May 18, 2016**. The hearing will be held at **Reston Station, 1904 Reston Metro Plaza, Reston, VA 20190**. The Open House will begin at 4:30 p.m. The Public Hearing will start at 6:00 p.m. A hearing officer will preside at the public hearing. Members of the Northern Virginia Transportation Commission may be in attendance as well.
